West Barnstable, MA – Sample the hospitality of two award-winning inns and the epicurean delights of four unparalleled restaurants in a special 4-night sampler package created by the innkeepers to introduce you to the BEST that Cape Cod has to offer, spring or fall.

The High Pointe Inn in picturesque West Barnstable and Brewster by the Sea European Inn and Spa in the historic Sea Captain's town of Brewster have paired together to offer guests an extraordinary 4-night *Cape Cod Sampler* package that includes 4 nights accommodation, gourmet breakfast served by candlelight each morning, plus dinner for two on two evenings at a choice of four incomparable restaurants. Prices for the package start at \$799 per couple, all-inclusive. Optional side-by-side couples massages can be added at either inn for an additional fee. The package is available April 1 through May 31 AND October 1 through November 30, excluding holiday weekends.

The High Pointe Inn offers spacious ocean view suites featuring panoramic vistas of the dunes of Sandy Neck Beach, the Great Salt Marsh, and Cape Cod Bay. Brewster by the Sea, a rare jewel located on Route 6A close to the National Seashore, offers eight unique lodging accommodations, plus outdoor pool and hot tub. Both inns offer on-site spa services, either in the privacy of your guest room, outside in a cabana, or in an intimate setting indoors by a wood-burning fireplace.

The inns are ideally situated for a variety of day trips to such nearby destinations as Sandwich, Chatham, Provincetown, Plymouth Plantation, or the islands of Martha's Vineyard and Nantucket. Just over an hour's drive from Boston or Providence, and convenient to the ferries for the islands, each inn is an oasis for the discerning traveler and a haven for lovers of art, antiques, and the outdoors.
